

Instructions for Offline forms.

When entering this directory, there are several options, the instructions.pdf (this document), the offline registration form and the offline membership form. These forms work with the current version of Adobe Acrobat Reader. Please visit <http://www.Adobe.com> to download the current version of Adobe Acrobat Reader.

To use the form, click on the link of the document to view. You are able to print off the form and hand-write in your information at this point. However, we are now able to provide forms you can enter your information into and print off.

To use the editable forms, click the document. If you get a message similar to this message

click on **Open With Different Viewer** and the document will download to your computer where you can edit the fields with your information.

Your downloaded form should look similar to the form to the right.

Fill in the blue fields (may be a different color on your computer). Once you have entered your information, click the  button on your Adobe reader and send the completed document to your printer. View the current prices for the events from the Our Haven Registration site.

Don't forget to include your check or money order with the printed registration/membership form to complete your registration.
